

Fraud, Waste and Abuse

All employees and contractors of KDJ Consultants have the responsibility to report fraud, waste and abuse. This information is outlined in KDJ's Privacy and Security Measures – HIPAA Policy 08-201 that is reviewed by all staff annually. The policy defines how reports of fraud, waste and abuse can be made:

- Directly to KDJ Consultants Compliance Officer at 817-329-1397 ext. 104
 - Directly to the Office of Inspector General National Fraud Hotline at 1-800-447-8477

The screenshot shows the homepage of the Office of Inspector General National Fraud Hotline. The page features a blue header with the U.S. Department of Health & Human Services logo and the text "Office of Inspector General U.S. Department of Health & Human Services". Below the header, there is a "Return to OIG Home" link. The main content area includes a breadcrumb trail "Home > Hotline Operations", the title "OIG Hotline Operations Home", and a section titled "Tips & Complaints" which explains that the hotline accepts tips and complaints from all sources about potential fraud, waste, abuse, and mismanagement in the U.S. Department of Health and Human Services' programs. A video player is embedded in the "Tips & Complaints" section, showing a "Report Fraud - HHS OIG Hotline Operations" video. To the right of the video, there are two links: "Hotline Operations Home" and "Posters and Flyers".

Anonymous options for reporting are available for all staff
